Nonnemaker, Post 1 Commissioner Joe R. Campbell, Post 2 Commissioner Craig Bryant, County Manager Alton Brown, Chief Financial Officer Vickie Neikirk, and County Clerk Jean Welborn.

Chairman Nonnemaker called the meeting to order. After the pledge to the flag, Rev. Charles Black brought the invocation.

Upon motion made by Commissioner Campbell, seconded by Commissioner Bryant, the minutes from the Regular Meeting held January 8, 2008 and Called Meeting held January 16, 2008 were unanimously adopted.

The Board of Commissioners issued the following Proclamations:

5. Cancelled the order for the American LaFrance Fire Truck.

Chris Hollifield with Rushton & Company, the County Auditor, presented the overview of the audit for the fiscal year ending June 30, 2007. Mr. Hollifield stated that with any audit, there were always suggestions for improvements; however, there was nothing serious that came up in the audit that would keep him from giving a clean opinion report. Mr. Hollifield stated that they had given a clean opinion letter. Mr. Hollifield gave an overview of the audit. A copy of the report is on file. Mr. Hollifield stated that there were more and more requirements under the Statement on Auditing Standards, which govern what they do as auditors, which will require more time involved in the audit. Mr. Hollifield stated that he had suggested in his report that Chief Financial Officer and staff continue to take more training classes on these different reporting standards in order that they keep up on the financial statements. Mr. Hollifield stated that their audit time would probably increase about 20%.
Upon motion made by Commissioner Campbell, seconded by Commissioner Bryant, it was unanimously voted to authorize the purchase of a fire truck from Ferrara for the sum of $229,848, which amount would be paid from the fire insurance premium tax.

Upon motion made by Commissioner Campbell, seconded by Commissioner Bryant, the advertisement of a public hearing on March 3 for the proposed abandonment of a portion of Trammell Road was unanimously authorized.

b. Purpose - The purpose of a variance is to provide relief when the strict application of the statutes, codes or policies imposes unusual practical difficulties or unnecessary physical hardships on the applicant. Practical difficulties and unnecessary hardships may result from the:

3. Shall not subvert the intent of the ordinance.
4. Applicant shall show substantial hardship naturally occurring or otherwise.

c. Criteria for granting a variance:

1. Based on the application, evidence submitted by the applicant, investigations by the director of community and economic development or planning commission or board of commissioners, all six (6) of the following findings shall exist in order to grant a variance:

However, the determination of the director of community and economic development shall remain in full force and effect pending such review.

f. Appeal to the Board of Commissioners:

   Decisions or actions of the planning commission are subject to an appeal to the board of commissioners. However, the planning commission’s action or decision shall remain in full force and effect pending such appeal.

k. Investigations and reports - The director of community and economic development shall make an investigation to provide necessary information to insure that the action on each application is consistent with the variance criteria. Any report of such investigation shall be included in the application file.

l. Revocation - Variances shall become invalid if not exercised within one year of the date of approval or if there is a change in ownership not otherwise noted and approved at the time of the granting of the variance.

Section 6. The exemption granted by this Act shall apply to all taxable years beginning after December 31, 2008.
