The White County Board of Commissioners met for a Called Meeting on Thursday, March 18, 2010 at 5:00 P.M. in the Board of Commissioners Office Conference Room. Present at the meeting were Chairman Travis Turner, Post 1 Commissioner Joe Campbell, Post 2 Commissioner Craig Bryant, County Manager Carol Jackson, County Attorney David Syfan, County Clerk Shanda Smallwood, and Industrial Building Authority Members: Chairman James Staton, Vice-Chairman Marc Greene, Secretary Kendyl Brock, and Mayor Don Stanley.

Chairman Turner called the meeting to order.

County Attorney, David Syfan introduced Mr. Bill Johnson of Raymond James for a presentation regarding the commitments to purchase the bonds for the White County Detention Center Construction Project.

Mr. Johnson presented the offering document for the bond issuance. He explained this was the document the investors reviewed in deciding whether to purchase the bonds. Mr. Johnson stated that in preparation for the bond issue the county had to seek a bond rating and he was presenting the rating report from Standard & Poor’s. He informed the county obtained a credit rating of AA-, which was excellent for a County the size of White County. Mr. Johnson commended the Board of Commissioners diligence in overseeing the County’s finances. He further indicated they applied for and obtained a bond insurance commitment, which was not necessary to utilize given the high credit rating the county received. Lastly, Mr. Johnson presented a final pricing summary. He stated the bonds were sold earlier in the day to individual and institutional buyers – with $9,085,000.00 being sold in bonds – which was approximately three-fourths of the total bonds available for the issue. He indicated the remainder would go to Raymond James inventory to be sold at a later date. The presentation showed the par amount on the bonds was $9,085,000.00, which a premium being paid by buyers of $50,511.00 – with $9,000,000.00 being available in total funds. Mr. Johnson stated $9,000,000.00 would be put into a construction account, $130,660.00 in estimated cost issuance would go into a cost of issuance fund where bills will be paid from for the next approximate 60 days – with any funds remaining going toward the project or debt service, and $4,851.00 in additional proceeds will be made available for the project fund. He reviewed this was a ten (10) year bond issue, with coupon ranging from 2.00% to 3.25% and the yield ranging from 0.70% to 3.45%. This resulted in the true interest cost on the issue being 2.83%. Mr. Johnson noted the total principal was $9,085,000.00, the total interest was $1,432,981.00, and the total debt service was $10,517,981.00 over the ten (10) year term. The issue will close on April 22, 2010 which will require advertisement and a bond validation hearing. Mr. Johnson summarized that the sale of the bonds went very well –with this being a direct result of the high credit rating the County had received.

David Syfan presented the Bond Purchase Agreement, explaining this was an agreement by the White County Board of Commissioners and the White County Industrial Building Authority to sell the bonds according to the terms presented by Mr. Johnson, with Raymond James agreeing to purchase the bonds according to the same terms.
