WHITE COUNTY BOARD OF COMMISSIONERS
MINUTES OF THE REGULAR MEETING HELD
THURSDAY, JUNE 30, 2016 AT 8:00 A.M.

The White County Board of Commissioners held a Regular Meeting on Thursday, June 30, 2016 at 8:00 a.m. in the Board Room at the White County Administration Building. Present for the meeting were: Chairman Travis Turner, Commissioner Terry Goodger, Commissioner Lyn Holcomb, Commissioner Edwin Nix, Commissioner Craig Bryant, County Manager Michael Melton, Finance Director Vicki Mays, and County Clerk Shanda Murphy.

Chairman Turner called the meeting to order.

Following the Pledge of Allegiance, Chairman Turner provided the invocation.

Upon a motion made by Commissioner Bryant, seconded by Commissioner Holcomb there was a unanimous vote to adopt the minutes of the June 6, 2016 Regular Meeting, the June 13, 2016 Called Meeting, and the June 23, 2016 Budget Public Hearing.

Mr. Melton made the final presentation of the proposed Fiscal Year 2016-2017 Budget (see attached presentation). The proposed general fund budget as presented was balanced at $16,146,230.00 – including an option to either entirely balance the budget from fund balance (reducing fund balance to 2.45 months) or to allow for an estimated .5 mill increase ($433,387.00) and .5 months fund balance ($592,099.00) leaving a remaining fund balance of 2.8 months. The proposed budget for separate funds was $4,191,724.00 – for a total county budget of $20,337,954.00.

Chairman Turner asked if the Board had any questions for staff based on the presentation. There were no questions.

Chairman Turner opened the floor for public comments.

Ms. Lillian Hall – She stated that she sees absolutely no justification for the County not renewing the contract with Georgia Mountains YMCA for operation of the county parks and recreation program. Ms. Hall said she felt that overall participation would drop due to the manner in which the change was made. She recommended that a feasibility study would have been a good idea prior to the County taking back the operations of parks and recreation.

Ms. Laurie Lee – Ms. Lee asked if the $400,000.00 in contingency detailed within the budget had been reduced any. Mr. Melton stated that it had not and this amount had been more than sufficient in the past to cover any unexpected contingencies.

With there being no additional public comments, Chairman Turner closed the floor for public comments.
June 30, 2016 – Regular Meeting Minutes (continued)

Following a brief explanation about the compiling of the tax digest and the process of setting the millage rate, Chairman Turner asked Mr. Melton for a summary of the projected expenses for the Recreation Department. Mr. Melton stated that projected expenses are approximately $653,000.00 – with the current budget as presented showing $500,000.00 in expenses. There was a consensus of the Board that the revenue and expenses for Parks and Recreation should be revised to reflect the most recent estimate of $226,250.00 (revenue) / $653,000.00 (expenses).

Chairman Turner asked the Board for their thoughts on the formulation to be used for balancing the budgeted revenue considering ad valorem taxes and fund balance used. It was stated that with the change to the Park & Recreation Budget just discussed (revenues decreasing by $73,750.00 and expenses increasing by $153,548.00) the net impact to the proposed budget was $226,298.00. Commissioner Goodger stated that with using .5 months fund balance, the estimated millage increase would actually be closer to .75 mills.

Ms. Mays stated that with the revisions made to the budget with Parks and Recreation – the proposed budget would be $16,299,730.00 – which would require $818,397.00 to come from fund balance in addition to an estimated .50 mill increase.

Upon a motion made by Commissioner Goodger, seconded by Commissioner Bryant there was a unanimous vote to adopt a resolution approving the County General Fund Budget of $16,299,730.00 and total Budget of $20,491,454.00 – with General Fund Revenue to be balanced with a minimum of 2.8 months of fund balance remaining and with the remaining revenue to be generated from ad valorem tax revenue.

Mr. Tom Owens of Raymond James presented options for the refinancing of the Series 2010 Bonds which were used to finance the jail construction project in 2010 and which have a call option as of January 1, 2016. Therefore, Mr. Owens stated that the county has an option to “refund or refinance” the existing bonds and issue a new bond at a lower interest rate while extending the term. He noted that the current bonds are set to mature on January 1, 2020 with the current principal owed being $4,020,000.00 at 3.15% interest less the sinking fund on hand for a net obligation at present of $3,617,312. Mr. Owens presented two (2) options: a refinance only and a refinance with extension for additional projects. He stated that the refinance only option would save approximately $115,862.00 / $82,590.41 (net present value) at a 1.1% interest rate. The second option included an additional amount of $4 million for additional projects – with options of three (3) different payback methods. He stated that municipal bonds are at historic lows and estimated a rate for the refinance plus extension to be 1.89%. Mr. Owens indicated that the county’s current bond rating is AA- which is influenced heavily by the county’s fund balance on hand. He indicated that if the County decided to do a standalone refinance, he would recommend a monthly payment structure. Commissioner Nix praised the Board for their proactive nature in looking after the future of the County and he expressed that the opportunity to refinance at a lower rate and to obtain the financing needed for additional projects was a golden opportunity. Chairman Turner stated that he favored a fixed payment structure over any variable option. Commissioner Bryant asked the Board to consider that the extended option would be allocating future SPLOST funds that had not yet been approved by voters. There was a consensus that this item would be tabled for the Board’s consideration, with Mr. Owens coming back before the Board within the next thirty (30) days.

Upon a motion made by Commissioner Nix, seconded by Commissioner Goodger there was a unanimous vote to approve the following annual agency contribution contracts:

- Avita Community Partners (Mental Health) - $7,500.00;
- Dept. of Community Health, White County Board of Health - $120,000.00;
- Enotah Anti-Drug Coalition – $5,000.00;

- White County Department of Family & Children Services- $39,500.00;
- White County Extension Service; $28,761.00 and
- White County Historical Society - $15,000.00.
Mr. Joe Gailey, Interim Director of the White County Parks & Recreation, provided an update on the transition from Georgia Mountains YMCA. He stated that all full-time staff had transferred to the County and that the summer schedule of activities would continue without interruption. He said he would be presenting a proposal for the replacement of fitness equipment, the pickle ball program was continuing to grow, that fields and facilities are in good condition and he looked forward to hosting tournament and playoff events. Mr. Gailey indicated that adults / seniors were the one group he had heard the most from during this transition; however he has been able to explain that all services would continue to be offered by the County – which pleased the large majority of people. There was discussion about the future parking plan with the bridge construction which would open up space for pickle ball courts to be constructed.

Upon a motion made by Commissioner Holcomb, seconded by Commissioner Bryant there was a unanimous vote to adopt a resolution establishing the fee schedule (which had no deviation from the YMCA’s fee schedule) for White County Parks & Recreation:

Upon a motion made by Commissioner Bryant, seconded by Commissioner Goodger there was a unanimous vote to appoint Mr. John Roche to the White County Library Board for a four (4) year term (previously held by Ms. Lynda Doll).

Mr. Michael Humphrey, Library Manager did ask for Board’s consideration as they plan for the future development of Yonah Preserve – for the construction of a new library facility on the property.

Ms. Vicki Mays, Finance Director, presented the Monthly Financial Status Report (see attached report).

During County Manager Comments, Mr. Melton formally introduced the new Public Works Director Mr. Dave Cangemi and the Interim Parks and Recreation Director Mr. Joe Gailey.

Chairman Turner opened the floor for citizen participation.

Ms. Connie Hood Helen, GA: Ms. Hood stated that she is embracing the transition from the YMCA managing the parks & recreation programs to the County managing as she hopes it will be – however prior to the YMCA the focus was entirely on youth sports and she felt the YMCA had expanded opportunities for all ages greatly. She did agree that children should be the main focus; however she hoped that the improvements made by the YMCA would be lasting for the community.

Ms. Lillian Hall Cleveland, GA: Ms. Hall expressed her disappointment in how the decision with not renewing the contract with the YMCA was handled. She stated that there should have been more transparency in her opinion and the Board had underestimated the negative impact of the change as the YMCA had brought credibility and professionalism. She expressed her confusion in reading the evaluation as to why the decision had to be made so quickly, as she did not see any basis for the quick action. She spoke in favor of at large voting for county commissioners.

Ms. Debra Ridings, 104 Hefner Road Cleveland, GA: Ms. Ridings expressed her frustration that she was made aware her road was going to be paved when she saw the stake in front of her

property. She spoke of her family’s reasons for relocating to the rural area of White County. She asked that the Board consider leaving the road as gravel until the neighborhood could get together to speak about this. She stated that she was disappointed in how the matter was handled without residents being notified.

Commissioner Bryant addressed Ms. Ridings regarding his conversations with the property owners.

Chairman Turner stated that Commissioner Bryant was the sponsor of the Road and none of the other Commissioners were willing to vote against the paving of the road as long as Commissioner Bryant continued to support the paving of this road in his district.

Mr. John Erbele with DNR stated there is a lot of discussion is going on regarding a trail from Helen to Hardman Farm down the east side of the Chattahoochee River along an old railroad bed. He wanted to make the Board aware as there would be discussion regarding the maintenance of the trail falling on the City of Helen and / or the County.

Sheriff Neal Walden expressed his safety concerns regarding the entrance to Buck Shoals Park being relocated north on Duncan Bridge Road (at Ridge Road). Mr. Erbele stated the new entrance was temporary – approximately 12 months and would have very limited access; however he would pass along those concerns to the Wildlife Division of DNR.
